

*T*hank you for your interest in the Ban Chiang Project! The Friends of Ban Chiang was founded in the summer of 1993 in celebration of UNESCO's inscription of Ban Chiang as a World Heritage Site. As of September 2009, we have raised \$380,000 from over 250 Friends in the United States, Thailand, and other countries worldwide. These donations have helped us attract major grants from leading foundations including The Henry Luce Foundation, Inc. We have begun building an endowment to support the long term needs of archaeological research and publication in Southeast Asia.

*T*he Friends of Ban Chiang is dedicated to supporting the goals of the Ban Chiang Project. All Friends receive the newsletter *The Ban Chiang UpDATE*, labels for display, and invitations to all FOBC gatherings, including presentations of the Museum's latest research in Southeast Asia.

*J*oin the Friends and help ensure the continued analysis and preservation of this important link to the human past! The opportunities to help the Ban Chiang Project are many and all contributions are gratefully received. Those who contribute at the level of Bronze Caster have the privilege of directing their gift.

- | | |
|--------------------|------------------------|
| Over \$1000 | Bronze Caster |
| \$500-999 | Pottery Painter |
| \$100-499 | Iron Smith |
| \$25-99 | Stone Carver |

*Y*ou can help support the Museum's mission in Southeast Asia. Contributions of any amount to FOBC further our current archaeological research, training of Southeast Asian archaeologists, publications, and our newest initiative, the Digital Archives Project.
