Honorary Member
Sydney Cheston
Administrative Assistant
*Associate Members

This headdress was found on the body of the lady Pu-abi in the Royal Cemetery at Ur, ca. 2650-2550 B.C. and is on exhibit in the newly renovated Mesopotamian Gallery which opened this April.

The gold hair ribbon and wreath head-dresses are arranged as closely as possible to the way they were found in the ground, based on photographs, descriptions and measurements made by Leonard Woolley during the 1927-28 season of excavation.
